

Fog lamp in Fiat Ducato, model 244 from. 02.2002

Because in every Fiat prospectus and advertisement from 2002, Fiat Ducato Pictures with fog lamp stand, one goes out from it if in a bumper savings are without fog lamps, one can allow to post prepare them easily himself.

Certainly if Fiat offers for 208,80 € with VAT, including another screen and than normal extra equipment.

From Hella these fog lamps are for about 125, - to agree to 175 euro without screen.

CARE TO CASE: the Fiat Automobile AG delivers because only with right bumper according to advertisement, if one to the extra equipment with ordered by the purchase.

Every other gets imitation bumpers without specially discount for the same purchase price!

Then a fog lamppost armament becomes very expensive, same to about 1,000€

Because one must buy a right bumper, fog lamp, screen and small material.

Recommendation:

If you yourselves liked to post arm now or later pass on it you a right bumper according to advertisement got, or put yourselves away specially about 750€ of discount for Fiat Ducato with imitation to bumper!
